Dear Gulf Nova Scotia (GNS) Commercial Tuna License Holder:

Re : Individual Transferable Quota (ITQ) Information Session
10 :00 am, July 21, 2017, Greenway Claymore Inn, Church St, Antigonish

At the request of the Gulf Nova Scotia Tuna Association (GNSTA), DFO is organizing an information session on an ITQ management system. The aim of this session will be to share information and answer questions on a possible ITQ system with respect to the GNS Bluefin Tuna fishery.

A vote would then be required by licence holders to give the GNSTA a mandate to develop an ITQ proposal to submit to DFO for consideration.

The session is scheduled from 10:00 am to 12:00 pm on Friday, July 21, 2017 at the Greenway Claymore Inn, Antigonish, NS.

If you have any questions, please contact Alan Dwyer at 1-902-735-7114.

Yours Truly,

Leroy MacEachern
A/Area Director, Gulf Nova Scotia
